Im looking for an allrounder confidence giving horse for their forever home. Will be worked regularly either hacking alone or with my mum and her horse, would like to get back into some jumping nothing major, and be able to travel well for trips to the beach. To be kept at my home with stables, menage, paddocks etc...
Preferably a Gelding, 15hh or over, budget is around £1500 but negotiable with perfect horse. I am located in Bedfordshire so within a 50 miles radius would be good.
5* loving home...
