Seamaster 27' Very popular twenty seven foot cruiser. Ford 2.5 Litre diesel engine with outdrive. I have been working on this boat whilst she has been moored in Newhaven for two years (time permitting) and she is still there! It's now time for someone else to take over - not many jobs left to do, I've done the hard jobs like remaking the houdini hatch. wheel house and sorting the engine but there is more left to do - will keep an enthusiast very happy.
