For sale - spares or repair. Citroën Xsara Picasso 1.8 MOT 26/03/16 155000 miles. Runs/drives absolutely fine, sailed through last mot only needing a tyre and couple of bulbs. Always been reliable and never let me down. Few issues: Drivers window sticky going up. Poor horn. Drivers wing mirror may need replacing - ok but someone hit it coming other way. Could do with a service. Engine light on - had dignostic done which said to do with O2 sensor, can buy on ebay for £20 -£25 but doesn't affect running of car. New exhaust within last year and front wheel bearings done since had it. Will have full valet on Friday morning then available from Friday afternoon. £350.
