An immaculate Subaru BRZ 2.0 SE Lux Coupe in metallic Subaru WR Blue Mica. My personal car since I bought it from the showroom with only 46 miles. The BRZ has been used only as my second car, garaged day and night and has only 9,300 miles. Non-smoker. This is a delightful car to drive, having a 2 litre Boxer engine which gives a very low centre of gravity and near 50/50 balance. Front-engine, rear-wheel-drive creates a great sports car. This is a four-seater car with full seat belts and a roomy boot - particularly with the rear seats down, she can hold two full golf bags. Last serviced September 2015. I have added the rear parking sensors and the sports kit (see pictures - petrol cap and side fins decor). Tyres have lots of tread and brake pads lots of life. The car has been my pride and joy and as a second car has been very well cared for, never track-driven and kept in superb condition. Rarely seen on the roads, the Mica Blue BRZ in this condition is pretty!
