Here for sale is my Audi Q7 S-line . It is a fantastic car and is enriched with some modifications since it left the factory. It has had xenon lights and LEDs fitted at the front. it also has 22 wheels and new tyres. Side steps and a detachable tow bar are also fitted. I had it super chipped which gives it more fuel economy and of coarse more power.It gives 380 bhp and fuel economy to rival if not better than the less impressive 3.0l. it has a full service history by Audi. It has sat nav with the dvd in the boot.The tyres are recently fitted and are good for many.
