Low Mileage VW Golf diesel automatic for sale.

I am only third owner of this very clean example, which is used regularly and has only 98k miles. In good condition all round inside and out. Full service history with paperwork. Long MOT. This is the high spec [SE] version with a 100hp engine. Highly reliable, economic and comfortable. Has many refinements such as cruise control, air con etc. Little used towbar fitted for our small box trailer. New car forces reluctant sale.
