

Log cabin, summer house, garden studio and office (1,700 GBP)

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-271305-z>

This is a 3x3m traditional design wooden structure summer house. It offers a spacious room and could be adapted for various uses.

Our summer houses are made of high quality wood. Walls are 34mm timber interlocked to create a solid build. Wall boards are factory cut and smoothed to create a special seal to exclude water ingress and draft. The build features quality doors and single or double glazed windows with contemporary style fittings and mortise locks. There is a choice of green, grey or red roofing felt tiles as extra. Free delivery within London area. Other sizes available: 3x4m; 4x4m; 4x5m; 5x5m. We have public liability insurance. Garden and Home Build Ltd also specialize in installation of such log cabins or similar.

This service includes: Pouring of concrete slab of 150mm deep as a base for log cabin. Installation of your log cabin. Waterproofing with felt roofing tiles or other roofing material. Weather protection of wood with woodstain. After work site.
