

# Outsource your work to a Virtual Assistant

Location

All outsource work undertaken from basic administration to running email campaigns/surveys. Web site design, SEO and site management and hosting now available too! Save time and money by outsourcing your work. Cheaper than temp agencies or recruiting a part-time employee. Privacy and confidentiality assured with every project. I work with all my clients on a 1-2-1 basis (I'm a small local company so you only deal me - not a large outfit who outsource work to others). References from highly respected Milton Keynes businesses available on.
