Our workshops were established by Zöe when she realised there was a huge demand for 'Women Only' public speaking events. Over the past few years, Zöe has helped many women achieve great success in all areas of their lives. Her knowledge and experience on these four subjects is vast. Women whom have come to Zöe, seeking guidance and direction, are now leading more fulfilling and happier lives. Zöe is a very strong, powerful female and is keen to help other women become whomever they choose to be! Each workshop discusses four key topics, which are as follows: They are: 1. Relationships 2. Health & Fitness 3. Money 4. Self-Image Q. Why this workshop? Zöe's approach is so unique and has never been done before. She has a strong presence, lifting and motivating her audience and boosting your confidence, as well as increasing your energy levels. Q. What will I get from it? Instant life changing results within each of the four areas, listed above. Think about it...you can't make positive changes until you know how. Imagine cooking an unusual meal for the first time without a recipe. It wouldn't taste the same, right? Zöe has learnt these tough lessons the hard way, so you don't have to!
