Rocky Horror Theme night auditions

Team Saffron is a Scottish based fundraising team raising funds for the Children's Liver Disease Foundation.

We have a new exciting fundraising event coming up and are looking for an enthusiastic and talented cast of Actors and Singers to bring it to life.

We will be staging an interactive version of the Rocky Horror Show in Glasgow City centre in between April and June 2016 one evening only (date and venue TBC)

## PLEASE NOTE:

This will be a voluntary role with a one off performance.

The show will take place in a pub environment with the audience as part of the performance so the ability to engage an audience while keeping character is important.

We are looking to cast the following characters:

Brad

Janet
