here's my Citroen xsara 1.4 it has just under 110k on clock has a full years mot pas ew drives well has a few marks as would be expected of this age car one mirror has had the back pulled off and the grill has had a symbol taken off as can be seen in pictures also worth mention the heater is tempermental as in it does work but can be on and off when car first starting I dont really know why this is it has always been like it but soon sorts itself out. mot only has one advisory small gas leak in exhaust (centre) selling due to no longer needing will do someone a good turn as has been reliable since I have had it. please call
