This VW Polo is in good condition and drives well. It has a MOT until 22nd June 2016 which has no advisories on the MOT and also benefits from having 10 services in the past. The car is very clean inside as the previous owners took care of the interior inside the car. It has a few age related marks/scratches but all in all a very nice car. I am available daily for viewings so contact me for a viewing or more.
