Lenovo Flex 2 laptop for sale stylish yellow body. The Laptop is just over one year old and has not been used a great deal, the Flex has the functionality of bending backwards so that you can use the keyboard as a stand and just have the screen displaying. Please note this laptop does not flip all the way back on itself like the Lenovo Yoga. The Laptop is touch screen and runs Windows 10 64bit, has 6GB RAM, i3 Processor and 1TB hard drive, this device is powerful and ideal for most tasks. The laptop has 2 USB ports and 1 USB 3.0 Port, HDMI port and ethernet connection. It is in absolutely fantastic condition and of course comes with the charger. ;
