

personal care

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-272013-z>

We provide care and support within the community. Our person centred approach to elderly care means that we can work around your wishes and needs. Hourly home care is a flexible care service to enable people to live independently at home. We can support with dressing, washing, bath or showering, hair, continence care, laundry and.
