Coving Artex, (plaster): 11 No' lengths, 2m x 120mm. This is in its original packaging, one pack of six has been opened and one length removed. This product has been stored in an outbuilding for some time now and has become slightly grimy and very slightly distressed on some of the ends, however still fully suitable for use, estimate least 20m in good condition. 2.5Kg tub of Artex Cove adhesive (Past BBE but looks as if still OK) to be.
