2010 Mercedes CLS 350 CDi Grand Edition which is not to be confused with the standard CLS, this car comes with £5,000 worth of extras a boasts a BRABUS tuning chip pushing the car to 272 BHP, which is extremely fast for this car and economical, typically i get around 30-35 MPG around the town driving and 50+MPG motorway. It has covered 60,000 Miles with Full service History and has had 2 Owner From New. The Mercedes is Finished in Metallic Flint Grey with Full Black Anthracite Leather & Birds Eye Maple Trim. the overall design of this car is flawless and is one of the best Mercedes Benz produced the bodywork lines and performance combined exceeds its Value for money. Other extras of being a Grand Edition is the Paintwork which is a Flint Grey which is similar to the rare Nardo Grey but with a shine, in the night this car looks outstanding and also boasts the new LED rear Audi R8 style Taillights, these little differences is what makes the car so special and i can assure the new owner will not be disappointed. The Mercedes Boast of a Massive Spec which includes, Command Satellite Navigation, Full Leather Interior, Heated Seats, Electric Adjustable Seats, Heated Seats, Front & Rear Parking Sensors, Electric Folding Mirrors, Black Full leather interior, Cruise Control, Dual Zone Climate Control, Air-Conditioning, Rain Sensing Wipers, Auto Headlight, Front & Rear Parking Sensors, Privacy Glass, Tyre Pressure Monitoring, Bluetooth Telephone Connectivity, Xenon Headlamps with Headlight Washers , Power Folding Mirrors, 18 AMG Dual Colored Alloy Wheels, Front Fog Lights, Remote Central Locking with 2 keys, Drivers/Passengers & Side Air-bags, Plus Lots More. This car has been maintained exceptionally and no expense has been spared ready for the new owner i have had all the stone chips removed and front bumper re-sprayed along with any imperfections on the paintwork have been corrected so the car is currently scratch-free, the paintwork is in unbelievable condition and has to be seen in the flesh to

appreciate this. due to the original diamond cut alloys being on the car for 5 years they showed small signs of wear, usually visible when it had been in the class of 1st class alloys, but the car is in good condition, skid plates, Arctic
