MGB Roadster 1978 (feb) Thanks for looking at my add, So much work has been done inc following

New Radiator - Recon Over drive unit - Recent Clutch and Master Cylinder- Alternator- Inner and outer Sills - plus Castle Rails- Engine Mounts and shocks -New Stainless Exhaust Engine is excellent recent tuning- Carbs overhauled - runs very well- body work solid, odd scratch, etc, conducive with age, Hood in good condition

MOT Sept 16 , will be tax except shortly - drives very well-.

Very little mileage in last 20 years (20,000)

I have having to reduce my collection - please look at my MX5 also on this site
For further details please call - or email, Thanks
