1974 mg midget, 1275cc round arch chrome bumper model. Only 51,000 miles. Only 4 previous owners. Garaged from new. Fully restored some years ago to a high standard as completely solid and still free from any signs of rust. Outstanding condition all round. Moted & road tax exempt (historic vehicle). Silver seal 1275cc twin carb A series engine. As can be seen in the photos the vehicle also Comes Fitted with a rare ashley gt hard top which is also in outstanding condition and complete with all original glass and trim. The hard top is easily detached for the full convertible experience. The vehicle also comes with the original boot lid (also restored) to use when the hard top has been removed & the original front bumper. A truly beautiful example of this iconic British sports convertible with all of the driving characteristics one would expect from a car of this period. Built in the Abingdon factory in 1974 & one of the last of the more desirable chrome bumper/round arch models to be produced between the years of 1972-1974, it was then dispatched to kennings ltd of Bedfordshire and subsequently sold to a Mrs m hunter on the 1st of May 1974. Paperwork includes original passport to service booklet which was issued when the vehicle was originally purchased & previous mots which confirm low millage. Eligible for low cost classic insurance. To sum up a beautiful little car in outstanding condition and benefiting from being the far more scarce and desired round arch chrome bumper model. Ashley gt hard top worth £895, transferable registration plate valued @ £800. A stunning car/investment at a bargain pre summer price which can only apriecate in.
