

Original Oil Painting of Travelling Salesman and Daughter (55 GBP)

Location **London, London**

Beautiful Original Oil Painting (not a print)

Travelling salesman and his daughter.

Not being well versed in art, I don't know who the original artist is, but it is signed if anybody can recognise the artist.

I have been told it has some value, appears to be early 20th century?

18 1/4" x 24 1/2" in frame Buyer Collects from Hendon, NW
