There aren't many words that can describe the Ducati 899 Panigale, but if i were to try it would be some thing like utterly mind blowing biking ecstasy!!! The bike is so, so good riding it is an experience you will find hard to beat, and that's not all it is dripping in electronic aids such as traction control, ABS, EBC (Engine brake Control) and a standard quick-shifter. The ergonomics are superb giving you a far better ride position then the 848 and the ride and handling is through the roof good! All this makes the Ducati 899 one of the most user friendly, super sports bikes on the road, oh and one more thing it sounds and looks amazing!! This pearl white example is no exception, the bike is in beautiful condition and has been meticulously looked after with full Ducati service history and health checks. It comes with a few of taste full extras which are Genuine Ducati Performance rear seat cowl, R&G carbon protection front and rear and an Evo Tech tailtidy. This 899 will also come with our 12 month warranty and roadside assistance, HPI checked, Full Ducati service history and PDI.
