The mighty BMW S1000RR Sport, first released by BMW in 2009 with the intention of giving the Japanese a run for the money, and that they did with BMW dealers being flooded with orders and waiting list as long as your arm!! To be honest this was no surprise, as BMW simply gave the consumer what they had been yearning for, a stunning looking bike that wasn't over priced and came with a bucket full of exciting electronics. The S1000RR was indeed a absolute phenomenon, sporting racing ABS, 3 different power performance modes, quickshifter, traction control and above a beautiful bike to ride!! What we have here is exactly that a stunning example of BMW's sports weapon, finished in a beautiful stealth like black and grey with matching light weight wheels, Akrapovic Exhaust system plus unused genuine, R&G tailtidy, Genuine BMW rear seat cowl and Genuine BMW Tinted front screen. This is with out doubt one of the cleanest well looked after bikes we have seen come through our doors and with only 2700 miles on the clock you can't and won't beat it. Don't miss this perfect opportunity to own this low mileage 2011 BMW S1000RR Sport!! It also come with our 12 month warranty and roadside assistance, Full BMW service history, HPI checked, MOT and PDI. Please click on HD icon to watch.
