Here I'm selling my astra van. It has served me very well for the last two years without any major problems. It has done quite a lot of miles but it will definitely do another 100 k. Friend of mine is a car mechanic and he checked her thoroughly for problems like head gasket, gearbox etc and he found her in great condition as for her age. It has few dents and few scratches but their not noticeable unless you know where to look for them. This vehicle is equipped with the great Isuzu engine, really good and heavy duty work horse. Fully ply lined, roof bars, air conditioning, adjustable high driver seat. New breaks front and rear, new alternator, new battery. Only selling it as my boss required me to have a newer van. Viewers welcome. Price £750 ONO. Contacts Gerard 07799280704 or Tracey 07724187661
