

We supply and install security lights for 28 only 400W powerful floodlight.

MOTION ACTIVATED SECURITY LIGHT

Location

South West, Hampshire

<https://www.freeadsz.co.uk/x-272487-z>

We only charge £28 for one security light supplied and installed (400W floodlight, as per picture). Burglars prefer to operate in the dark! This price applies to the replacement of an existing outside lights, and the supply and installation to the new light, in the same location. For other more complex jobs (new locations, new wiring, different more expensive lights etc) prices may vary, and they will be subject to agreement. Product specifications: Motion Activated Floodlight (PIR). 400W Eco Halogen Bulb. 220-240V, mains powered. Detection distance 10 meters. Adjustable detector - 24 hours or night only. Adjustable detection field. Adjustable timer - 5 seconds to 10 minutes. Metal casing. Strong, high quality product. In black or white. British Standards approved. Recommended for exterior walls. Sold at B&Q and Homebase. We can also install other types of security lights of your choice, to a new location (subject to agreement, prices may vary). We will also inspect all your sockets and light switches and fittings, for an extra £15 only (subject to your agreement), for your peace of mind. Any other extra work will also be subject to agreement. We are based in Southampton, but we are prepared to travel further afield. We are professional, polite and friendly, and our prices are very reasonable and competitive. We also provide a "Handyman Service". Please see my other advert. We will also produce a "no criminal record certificate" for your peace of mind. No canvassing please! Only customers may call..
