There is a folder full of invoices/MOTs and all original handbooks including service book with 20 service stamps. It's a light colour Gold as you can see from the pictures although logbook puts it down as silver grey.

It's in good condition for its age, drives spot on and has smooth gear changes. It has leather seats, Air con, Electric Windows, Electric Folding heated Door Mirrors, Radio/CD player, Power Steering, Anti lock Brakes, Driver & Passenger Side Airbags, Alloy Wheels. It has optional 4 wheel drive plus 4-wheel drive High and Low Ratio.

It's 17 years old so it obviously has the odd dent and a scratch here and there and on the driver's side rear quarter a scratch. I have been quoted £100 to have this painted so nothing major. The car has never been used for off roading.
