 for use from the Mot and Installation
 Photos only fitted in the protection sewing system with top window and pvc bottom
 6 year warranty from the seller

This Motorhome is ideal for families due to the cleverly designed internal layout, it has two lounges and with the multi-functional bed and with the 6 fixed seat belts it offers lots of opportunities. We have used the rear as a fixed king size bed so that you do not have to make up every night. The central dining area and overhead bed makes it an ideal 4 berth or a sumptuous 2 berth.
