Location North, South Wirral https://www.freeadsz.co.uk/x-273176-z

I'm looking for a pug puppy to join my family. I'm on a limited budget but I will offer what I can. I have a poorly little girl who is pug crazy, she eats, sleeps and breathes pugs.. Please, no offers of delivering a puppy to me and all I have to pay is "shipping fees" I want to meet the family where the puppy is from and keep in touch. Thanks for your:-)
