This dining table and chairs are in need of restoration, hence the very low price, I brought them as a project to restore but unfortunately the table is far too big for my room. The table has two extension pieces and a double pedestal Base, there are 6 normal chairs and 2 carvers. Some of the chairs will need new seats, the whole set has been half painted etc, once done it will be a lovely set of furniture, viewing is recommended as it's in storage so very difficult to photograph, just asking what I paid for it £20;
