Under floor heating film with full coloured touch screen thermostat . 50 sqm roll also comes with full kit . Insulation is also need for laying the underfloor heating . Sorry to say we don t supplie the insulation but it is not expensive . The Under floor heating has a fast heating response , great for warm feet . Under floor heating film should not be layed with cheap carpet that has a rubber back . It is also is to lay . For more info please call me on my phone number .
