A very friendly, 3 month old male and female Bengal kitten for sale. Until now she has been a house cat only, and they has not been spayed. They litter trained, vaccinated, flead, wormed and health checked.

They are very playful she loves her toys, and is trained to use a scratching pole, she neve uses the couch! They are great around children, we've never known her to bite or scratch anyone. They are comfortable around new people and loves cuddles!

Included in the price are her essentials to help her settle into her new home - bed, litter tray, feeding tray, carry box and toys. We are in no rush to sell the most important thing is to find an owner who understands the needs of Bengals, who can offer her the environment she.
