This is a great car. Interior condition is as new. No marks, ware or ugly bits. It has full leather with tasteful colour coded piping, the dash is black with contrasting alloy trim, leather steering wheel with multifunction controls. This car is also fitted with BMW i drive so it has sat nav blue tooth cd/ radio parking sensors and a gear check, also fitted with BMW busin button. The car is in great condition with a few age related marks as can be seen when the car is parked in the sun. Some minor marks but age related marks are all good with plenty of life in them . (Run flats)

Over all this is a stunning car that wants for nothing. Starts and drives as new. Viewing recommended, advertised elsewhere so I have the right to end this listing early. ** Please note that I have already purchased and am using a replacement vehicle so mileage will not now increase. I am genuinely helping my brother in law sell the BMW so please feel free to email me or contact Mr Andy
