Bosch PSR 1440 Cordless drillscrewdriver. (10 GBP)

Location **South East, Kent** https://www.freeadsz.co.uk/x-274293-z

This cordless is in good condition other than the fact the battery does not hold a charge due to a long period of non-use.

The drill itself is in perfect working condition and the charger is brand new costing £22 alone. Ideal for spares and repairs or for someone with a working.
