I am selling this bracelet on behalf of my brother in laws mother, who has had it for some time. This VINTAGE Art Deco Silver Diamond Cut Bracelet marked 925 c1930 is in very good condition, and also has a small hanging chain indicating the quality of the piece (see photos). There is rubbing on some areas of the bracelet associated with the age of it and normal use, and it is intact with no damage. The bracelet inside width closed is EXACTLY 6 cms, so please make sure that it will fit the person concerned. There is a stamped Silver 925 mark on the inside of the bracelet. The catch is a press down type, and "snap shuts" perfectly. Any questions, please do not hesitate to contact.
