A large glass screened shower with large shower head is accessed by a pivoted curved glass door with wall mounted controls. The large shower area has a recess for toiletries/shampoos. A large cabinet with hand movement controlled LED lighting and shaver point complete this stunning shower room. (Move your hand down the right hand side of the cabinet)

Bedroom

13' 9" x 11' 3" (4.20m x 3.43m)

When entering into the large double bedroom one immediately notices the original sash windows allowing an abundance of natural light with views towards Lewes Castle and the Sussex Downs. Continuing with the sympathetic transformation of the building throughout, original deep skirting resides next to new top quality wool carpeting which flows from the inner hallway to the bedroom. The bedroom is fitted with modern inset LED lights as well as two wall lights.

Utility Room

A useful utility room is accessed by an oak door on the half landing within the communal hallway and provides a private utility room with a range of units with fitted washing machine and separate tumble dryer machine, wall mounted combination boiler and storage.

Car parking

There is room for one or two cars at the back of the building in the Courtyard (Castle Ditch Lane) but unfortunately NOT for parking, only for loading or unloading. Lewes Council did not consent to any off street parking in the building application for Lewes Mansions. However, there are 2 public car parks both within a 5 minute walk and free parking in these, out of office hours. (The 'Needle Makers' car park and The Maltings up behind Castle Ditch Lane)

And finally.....a recent comment from Natalie (our present Tenant who is leaving as pregnant) " We will be sorry to leave. We couldn't ask for better Landlords and lovely residents of Lewes Mansions!"
