"This awesome model has all the functions and accessories of a real fire truck! Lift open the control panel and position the cherry picker with ultimate precision using 3 separate controls for rotation, boom incline, and angle of boom joint. Additional functions include working steering and outriggers for stability. Rebuild into an equally impressive alternate model! Includes 2 building instructions. Ages 8-13."

This is Fully Built for Collection, which demonstrates all pieces are present. Sold as.
