WASHING MACHINES

Bosch Tackle your household's laundry with ease when you use the Bosch WAE28462GB Washing Machine . Quick and easy cleaning Pre-programmed with 15 different programs, you'll find that this washing machine can handle everything you throw at it. Catering to your washing requirements, it's simple to choose the cycle that best meets your needs. The VarioPerfect technology lets you decide how you want to wash your clothes, giving you choices for every load. When you need clothes in a hurry, a 15 minute quick wash provides garments with a rapid rinse or, if you have more time, make use of the EcoPerfect option and benefit from an economical way of getting your laundry load clean by using less electricity. Choose the Allergy+ program which removes 99.9% of allergens that your clothes pick up during normal wear. With an ECARF quality seal it's been specifically developed with delicate skin in mind. Fabolous features An ActiveWater feature is also built in to the WAE28462GB and delivers maximum efficiency during your wash by automatically adjusting the amount of water used dependant on the load. Easy to operate, the WAE28462GB is controlled via an intuitive dial and button control panel. A large LED display is also situated on the console and provides you with a quick way to see how long is left on the cycle and the delay time options. Simplify your laundry days with the A+++ rated Bosch WAE28462GB Washing Machine . £299.00 ===== <http://shouldcompare.com/browse/itemdetail/3326122631/Bosch-WAE28462GB-Washing-Machine---White,-White/> ;
