WASHING MACHINES

Bosch Take the hassle out of doing laundry with the 6 kg Bosch WAB28261GB Washing Machine and keep your clothes clean while reducing your energy bills. VarioPerfect VarioPerfect technology makes the WAB28261GB Washing Machine a far more efficient way to complete your laundry, speeding up your cycle by up to 65%. You can also cut the energy consumption of the machine by half, giving you a far more economical wash without reducing performance. ActiveWater The WAB28261GB also features ActiveWater, an ingenious technology which makes sure you're only using the precise amount of water needed for each wash. Carefully measuring the exact requirements after factoring in the weight of your load and how dirty it is, the machine uses the exact amount of water, making washing far more efficient. Reduce unnecessary waste for a more environmentally considerate washing solution. Large display The large LED display shows you how far into the programme the washing machine is and also keeps you informed on time remaining until the cycle finishes. The display can also be used to programme the useful 24 hour timer to let you select exactly when you want your wash to start. Schedule washes to finish as soon as you get home from work and reduce the time that your washing sits in the machine. Handy programmes The WAB28261GB includes a WaveDrum interior for a gentler wash thanks to its unique structure which minimises wear and impact on your garments as they tumble around. Its high spin speed of 1400 rpm removes a lot of water from your clothes so that they dry more quickly. All of this high performance washing is presented in a cost-saving appliance that's rated A+++ for energy efficiency. The Bosch WAB28261GB Washing Machine offers 15 wash programmes to help you deal with all manner of laundry situations effectively. Use the Super Quick 15 setting and have your clothes ready to hang out in

only 15 minutes - it's ideal for 2 kg of lightly soiled laundry if you need clothes in a hurry. Get your clothes clean and energy efficient with the Bosch WAB28261GB Washing Machine for 399.99
