Hi, Firstly thank you for your time reading this!

Ideally looking for a studio flat within the Brighton / hove area. Ideally 20 minuets walking distance of town give or take (I am flexible)

I am currently in full time employment which can be transferred to Brighton however ideally i'm looking for a new job new town new start so I won't be out of work.

I will require broadband as I'm also studying and practicing network engineering in my spare time.

Could possibly stretch to £700 if all bills.
