

YOUNG ENDLER FEMALE FISH (1 GBP)

Location **South East, East Sussex**
<https://www.freeadsz.co.uk/x-275673-z>

I have young Endler and Guppy females available. They are around 3cm long and about 3 months old, so they will continue to grow and colour for a few more months. Their mothers can be seen in the first 5 pictures and their fathers can be seen in the last 5 pictures to give you an idea of genetics. You will be getting the offspring of these fish. Sorry, males have all been sold now. They are 1 pound each, payment on collection. ---Please let me know about how many females you would like, so I can reserve them for you!--- And don't forget to bring a container to carry them in, like a clean jar, or a plastic fish bag. You can choose the guppies you want yourself, but it's first come first serve, I'm afraid! Please email.
