Here we have a stunning example of a Kawasaki Z1000 Sugomi Edition that has only done 521 miles from new. The bike has been HPI checked and a Certificate will be presented with the bike. The bike has been fitted with a Akrapovic exhausts, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. Top spec engine protectors have been fitted just in case the worst should happen. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. Also fitted with heated grips, a blessing on those cold days. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
