(although with a small amount of general wear as expected from usage). The single chair has rarely been used so looks and is basically brand new. The stool on the end of the main sofa is detachable and can be used as a foot rest.

The items come from a smoke free home and no animals have been on any of the items.

We are happy to answer any questions if you could please email, call or text, we are also happy for anyone interested to view the items before purchasing; we are in Hythe, Southampton.

We would like around £525.00 OVNO for all three items, as they were purchased for over double the price of this when including insurance and cover costs.

For any more information please just ask, we will both be happy to help and open to offers as we would like these sold as soon as possible due to moving house.

Please note the pillows and throw in photos are not part of the.
