

2 leather two seaters (550 GBP)

Location **East Midlands, Nottinghamshire**
<https://www.freeadsz.co.uk/x-276099-z>

Two 2 seaters made from real brown leather, a design called "Santiago". They were bought from scs for £1283 and are in an excellent condition - not a single mark on either one of them. They have hardly been sat on. We can't understand why we even bought.
