Here we have an excellent example of the Suzuki GSX650 FA. The bike is in untouched/standard condition, just as it came out the crate. Top spec engine protectors have been fitted just in case the worst should happen. With a Cat1 alarm for security, this will also reduce those heavy insurance costs. The bike comes with all original keys and manuals as were supplied new. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
