A great example of a BMW R1200RT that has only done 28516 miles from new by four former keepers. The bike has been well maintained and has had no expense spared. The bike has been HPI checked and a Certificate will be presented with the bike. The bike comes fitted with BMW panniers, very useful for commuting to work or carrying your waterproofs in case the rain comes. The bike also has heated grips and heated seat, a blessing on those cold days. Also fitted with a centre stand to make washing and maintenance a whole lot easier. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
