Looking for a bike to put a smile on your face and a chill down your spine? Look no further.. Renowned as a bit of a hooligan bike and mental off the line thanks to its 990 V-Twin engine, just have a read of the owners reviews! Or better yet come down and test ride this one for yourself. In fantastic condition, its got fairly low mileage for the year and has all the accompanying books and keys! Just don't expect good MPG.. cause you'll be winding back the throttle out of every!
