Here we have a very good example of the Suzuki GSF120 SA GT Bandit. Adjustable heated grips are fitted on this bike for the cold days. Fitted with a double bubble screen for an extra bit of wind protection. The bike comes with all original keys and manuals as were supplied new. The bike comes with a set of lockable Hard Luggage, great for those trips away. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been fitted with braided brake hoses, this means there is no room for expansion as you get with rubber hoses giving much better braking efficiency. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has a few small stone chips but you really have to be looking for them to notice. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill.

*NOTE: Alarms can be fitted to any bike at an additional**
