Here we have a immaculate example of a Triumph Street Triple R that has only done 10351 miles from new by two former keepers. The Street Triple r is light, fast, fun, agile, stylish and cool. The R version comes with fully-adjustable suspension. The bike has been fitted with a Arrow exhaust, this allows a little more of a growl upon acceleration and also allows the throttle to be a lot more responsive. The bike comes with a colour matching belly pan, fly screen and seat cowl. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
