Black, 2 owners, A bike we have sold new and comes fitted with full system GPR exhaust, stage one tuned, new tyres, full service history, engine bars, tail tidy and KTM comfort seat. Back then, KTM revived the pure, unadulterated single-cylinder motorcycle in the form of the 'original' Duke. Judging by the latest 690 Duke that stands before us today, much has been gained: smoothness, room for a pillion passenger, long-distance ability. But what it has never lost, is its intensive and elemental ride dynamics. The most cutting-edge series production single-cylinder of our times and a precision chassis with a wealth of outstanding components turn every trip on the 690 Duke into an incomparable and unforgettable riding experience. The North West's finest family run motorcycle dealership, £5,500 p/x
