Description

Peterborough city centre is 5 minutes walk away from this totally refurbished new-to-the-market period terrace house. Perfect for any investor or as a pied-a-terre, move in/rent immediately!! 2 double bedrooms, 1 single, 1 living room, one dining room, separate kitchen, bath with shower, and nice hardstanding garden to rear with very useful shed and generous additional access to rear. Front garden is small [park a motorbike?] A London commute is an easy possibility, or walk to work in the city centre - quiet, just 5 minutes walk to shops and bars, and of course magnificent 12th century cathedral. The Kings school is nearby, as is the superb Peterborough city hospital.

The interior is white and Ivory with stunning high quality laminate downstairs, and new wow factor kitchen with black and white tile theme, and white spotlights. Upstairs, everything is new carpet, with brass effect door knobs on stained pine doors throughout the house. Under 1 year old super efficient govt grant renewed boiler installed. New radiators everywhere.

Peterborough is tipped by many to be a strong investment area due to its excellent road links [The A1 and A47 pass through, and it is only 45 mins from Kings Cross London by train.] Many people commute daily to London, and go to the beach at the weekend [try Hunstanton], or try Sandringham Royal Palace if you have an hour to spare and have a car to get there - magical free dog walking in beautiful woodlands fit for our wonderful Queen, or visit the main house for roughly £13!

Peterborough central park is 5 minutes walk - try tennis, or the park cafes [slightly overpriced] al fresco menu, or have an Italian style coffee while you take in the air or walk the kids/dog. The Park is a jewel in Peterborough's crown, and was laid out by the Victorians, and, I believe many years ago, charged tuppence

to enter [two old pennies]

If you want to see the street market, it's 5 minutes walk to the superb market around the old fens, or to the superb Sandringham Palace, or to the beach, or visit Norfolk, or head south from Peterborough to London, down the A1, about £10 in diesel for a modern car. Perhaps you prefer Diwali festival in Leicester, or to the central Mosque is across town. We have it all right here! David
