This stunning GSXR600K8 was bought as a 0 mile pre-reg bike by it's 1 private lady owner. She has cared for the bike exceptionally well during the 6 years she's owned the bike, keeping it immaculate and serviced. The original service book is present and completed with 6 service stamps, a 7th will follow when we service the bike ready for its new owner. If your looking for a low mileage abuse free bike then look no further, it is very clear this is a well loved bike. There are a few minor but worthwhile modifications which include fitting an absolutely awesome titanium Akropovic Gp Series end can which is road legal when the supplied baffle is fitted, white R+G frame protectors, genuine Suzuki GSXR tank pad, yoke protector and fuel filler cap protector. For peace of mind its fitted with a Datatool Series 4 alarm immobiliser which is complete with 2 key fobs. In addition to this a lovely R+G tail tidy has been fitted finishing off the overall look perfectly. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £5495
