The all new GSX-S1000L6, we've been waiting a long time for Suzuki to produce a street bike with the heart of a GSXR and here it is, all we wanted and expected, plenty of power and comfortable to boot. This bike is brand new, with zero miles. It will come inclusive of a free first service once the first 600 miles are under your belt. This is a rare non-abs model, something we won't have again as all new bikes will now be ABS Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up. £8999
